TESTIMONY

“We had our wedding reception at Bar Mellow a few weeks ago. Would recommend as a great space for events - Prudence and Byron were great, we had a couple of easy chats over a glass of wine to sort out our drinks menu and that was about it. We had 100 people who fit easily in the space. We had a huge grazing board (was very popular) on the bar that kept people circulating and drinks kept coming even while cocktails were in high demand. Drinks were delicious and the space is beautiful, we didn't even worry about doing any extra decorations. Eamon our bar manager and the whole team were super friendly and efficient.”
5 Star Google Review Timothy Steele.
